2.14 Significant Activities and contributions made by IQAC

- Motivating teachers on quality improvement, remedial classes and the use of ICT and teaching aids.
- Augmentation of IQAC infrastructure using College resources.
- Encouraged students to join College NCC and NSS wings of the College so as to foster the bond of brotherhood and National Integration.
- The IQAC in its meetings with the departmental Quality Assurance Cells (QAC’s) discussed and checked out the plan for the future session. It was impressed upon the departmental QAC’s that the teaching plans for the session reflecting the important academic activities like seminars, unit tests, workshops, quiz programs, debates, group discussions should be distributed among the students positively at the beginning of the academic session.
- Stressed upon the making of class representatives for each class so that frequent meetings can be held with such representatives.
- Recommended to the College Administration for the augmentation of the library facility by increasing the no of Books and Journals in the Library, Development, strengthening and promotion of curricular and extracurricular activities.
- Encourages its faculty to undertake research projects and thus contribute to the advancement of knowledge with interdisciplinary approach.
- The IQAC encourages the weaker and educationally under-privileged sections of the society to continue their academics. Both academic as well as financial assistances are rendered. Encourages more and more students to participate in social activities such as NCC, NSS etc thus inculcating high moral values among

the students and turning them into peace loving, secular and patriotic citizens.

- Encourages and organizes various educational, Study and industrial tours at the State and National level to create awareness among the Students regarding latest technological and industrial developments and further make them environment conscious.
- Promotes and encourages the participation of students on large scale in various sports activities at College, State and National level in order to inculcate in them a sense of discipline, tolerance and National integration and human brotherhood.
- Encourages its faculty to achieve academic excellence by participating in various workshops/Refresher courses/ Orientation courses. Several teachers were encouraged to pursue higher studies.
- IQAC as the recommending body to the administration also plays a pivotal role in the overall development of the College by recommending for the Improvement of sport and Playground facilities, Construction of girls hostel. Procurement and purchase of computers for the academic and administrative purposes. Strengthening various departmental libraries in terms of upgrading, adding latest books and journals, and also procuring different electronic copies of books and study material.
- Internet connection via WIFI to all the teaching departments. Arrangement of educational excursions for environment awareness. Involvement of students in slum development programs.
- Introducing greater innovations in teaching methodology.
- Widening the scope of institutional industry linkage.
- Conducting more guest lectures, Seminars and workshops.
- Cultivation of Scientific and Research aptitudes in students by organizing advanced research courses in science subjects.

2.15 Plan of Action by IQAC/Outcome

The plan of action chalked out by the IQAC in the beginning of the year towards quality Enhancement and the outcome achieved by the end of the year 2014:

Plan of action	Achievements
Remedial teaching	Educationally weak students after being identified were subjected to Remedial Coaching/Extra Classes and very encouraging results were observed.
Comprehensive teaching	Use of ICT in teaching learning process, Smart classrooms
Advanced learners programme	Very bright students were enrolled under this scheme to work for the short term projects in the desired discipline under the supervision of the faculty member.
Emphasis of short term additional certificate courses	Various Careers Oriented Courses run by various Departments of the College enrolled about 200 students for the Certificate, Diploma and Advanced Diploma Courses. The certificates were distributed to the students on the Completion of the Course.

1.2 (i) Flexibility of the Curriculum: CBCS/Core/Elective option / Open options

Since the Parent affiliating University (University of Kashmir) has its own Boards of Studies for different courses, an institution has limited freedom to incorporate its own objectives in the curricula. However various teaching faculty from the institute being the members in various BOS Committees of the University contribute by suggesting valuable inputs while framing the syllabi. Irrespective of very less freedom for reforms in the examination system at the College level, the College maintains a high academic standard by Conducting Unit tests/ Sessional (internal and external).

6. Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

VISION	The Islamia College of Science and commerce aims to emerge as a great seat of higher learning and Centre of excellence in the field of education by inculcating and promoting the values of humanity, cosmopolitan outlook and the spirit of tolerance, modern scientific outlook and the brotherhood among the aspirants. The College also aspires to emerge as a university of national and international repute.
MISSION	<p>The mission of our College is to realise our \vision to the fullest. We provide equal opportunity to the aspirants without prejudice to religion, region, caste, colour, Gender, Ethnicity.</p> <p>To be relevant we keep on upgrading human and infra structural resources. Identify and introduce the emerging courses in the field of Science and technology and management studies</p>

6.2 Does the Institution has a management Information System =

The Management Information System is functional in the form of Accounting, Fees management, Library Management System, Students attendance recording, Sessional examination results, admission management.

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

Since the Parent University (University of Kashmir) functions as the examining and evaluating agency an institution has limited freedom to incorporate its own objectives in the curricula, examination and evaluation. However some faculty members of our institution being the members of Board of Studies in University contribute by providing valuable suggestions.

6.3.2 Teaching and Learning

The College provides best possible Class rooms, Laboratories, Computer labs and other related teaching facilities including the highly dedicated, trained and qualified faculty. The high standards in teaching and learning are ensured by the correction measures based upon the feedback received from various stake holders

The College follows both Conventional and discrete mode of teaching and learning with special impetus on ICT learning, Film and video presentations, online and offline educational broadcasts programmes, practical work, directed study of texts, study of open learning materials, Group learning and discussions, seminars, group tutorials, remedial and tutorials for weaker students..

6.3.3 Examination and Evaluation

All components in any programme of study are evaluated continuously through internal evaluation and an external evaluation.

Internal evaluation is done throughout year in the form of mid examinations and assignments. External evaluation is done at the end of year in the form of end examination.

Examiners for External Practical are always selected from outside the college.

Since the Parent University (University of Kashmir) functions as the examining and evaluating agency an institution has limited freedom to incorporate its own objectives in the curricula, examination and evaluation. Irrespective of very less freedom for reforms in the examination system at the college level, the college maintains a high academic standard in conducting Unit tests, internal and external practical exams

6.3.4 Research and Development

Research and Development cell is an integral part of the activities of our college. The College has well developed research committee that monitors and facilitates the research activity. This cell is one of the wings of the Institute which facilitates, channelizes, records, and regulates all the academic, sponsored, collaborative research projects and consultancy works in the Institute.

The objective of the Research Cell varies from the advancement of theoretical knowledge to development of new technology to solve practical problems. The research conducted till now has covered areas such as theoretical and applied aspects of core science (Physics, Botany, Zoology, Chemistry, Electronics and mathematics),

During this academic year 09 research papers were published in National and International Journals. 11 papers were presented in National Seminars and Conferences. One Major project and two Minor research projects ongoing in the Department of Management Studies and Chemistry.

A few of the ongoing projects are: **“Biodiversity of Aquatic angiosperms in Kashmir Himalayan lakes and the impact of Anthropogenic activities on their distribution sponsored by Ministry of Environment and Forest, Govt. Of India, New Delhi”** under Dr. Abdul Majeed Kak, Retired. Professor, Department of Botany, ICSC, Srinagar.

One UGC Sponsored Major Research Project titled **“Quality of work life in Higher Education: A case study of Selected Colleges of Jammu and Kashmir”** sanctioned to Dr Mehrajudin Shad of the Department of Management Studies to the tune of 5.80 Lac.

Two Minor Research projects titled **“Synthesis Characterization Magnetic and Conductive study of some Axially binucleate Macrocyclic Ligand Complexes” and Design and the Synthesis of some novel metal complexes as Drugs and potential therapeutic Agents** sanctioned to Dr Mir Bilal Parvaiz and Dr Aijaz Ahmad Tak, Department of Chemistry to the tune of 1.60 lac and 2.00 lac.

Ten teachers have participated in Orientation Programmes and Refresher Courses.

One more teachers have applied for the guideship to the University of Kashmir and the number of research guides has risen to four

The research projects have also acted as the training ground for the young postgraduates of our college. Notifications have been issued to the teachers and students about the research funding of various funding agencies.

Staff Meetings helps in creating conducive environment, motivation to apply for minor/major research projects, attend and present papers at international/national conferences and, providing technology and training to take up research work.
